

## Executive Summary School Accountability Report Card, 2009–10

# *Blue Oak Charter School*

**Address:** 450 E. West Avenue, Chico, CA    **Phone:** 530-879-7483  
**Superintendent:** Michael Ramos    **Grade Span:** K-8

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. The data presented in this report are reported for the 2009–10 school year, except the School Finances and School Completion data that are reported for the 2008–09 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

**A About This School** The Blue Oak Charter School is located on the Northeast side of Chico, approximately 90 miles North of Sacramento in California’s fertile Central Valley. The Blue Oak Charter School serves children from 7 communities throughout Butte County, during the 2009-2010 school year. The Blue Oak Charter School enrolled approximately 305 students following a traditional school year schedule.

The Blue Oak Charter School is committed to the education of the whole child through a comprehensive curriculum, active learning and integration of the Arts while acknowledging the uniqueness of each individual and supporting the full development of each child's potential. Blue Oak Charter School's curriculum and teaching method offer an inspirational and disciplined approach in which traditional teaching methods are bolstered by a teaching style emphasizing creative enthusiasm, and lessons that stress the significance of human achievements. This approach encourages critical thinking skills, intellectual curiosity, creative imagination, social responsibility, and initiative in the student. Our goal is that young adults will emerge with both the self-confidence to impart direction and purpose to their lives and a lifelong love of learning.

Blue Oak Charter School is based on Waldorf and other methods that successfully fulfill the goal of educating the whole child. Intellectual development, social and emotional development, and fine/large motor skill development all contribute to a child's healthy growth process. The effectiveness of the BOCS approach lies in the California content standards based subject matter, which celebrates the diverse forms of human achievement across cultures, and by how this curriculum is presented to the students. A daily rhythm of kinesthetic exercises throughout the eight grades fosters the neurological development of the child. In addition, this educational approach nurtures the imagination in the early years, gradually building a firm creative and values-based foundation for the more abstract thinking required of the student in the middle grades. Blue Oak Charter School continues to provide a choice for parents in the Chico community who seek a standards based education for their children that honors and nurtures the rhythms and capacities of natural child development.

### Summary of Most Recent Site Inspection

*Blue Oak authorizing agency BCOE completed a site inspection in November 2010 finding that the Injury Illness Prevention Plan (IIPP) was out of date. That document has since been updated to reflect current operations and policy. Additionally, per BCOE recommendation, copies of fire and safety drills along with records of job specific trainings have been included in the IIPP binder. Health and safety emergency plans have been updated along with the calendaring of emergency drills and a record of such drills. The annual fire inspection was completed in December 2010 finding no corrective action necessary. Fire extinguishers are inspected monthly.*

### Repairs Needed

*Playground structure has needed ongoing structural repairs to replace broken screws. Minor repairs have occurred to replace faulty plumbing and exterior door mechanics. No outstanding repairs are identified at this time.*

<sup>1</sup> Standardized Testing and Reporting Program assessments include the California Standards Tests, the California Modified Assessment, and the California Alternate Performance Assessment.

<sup>2</sup> The Academic Performance Index is required under state law. Adequate Yearly Progress is required by federal law.

## Corrective Actions Taken or Planned

Per BCOE recommendation, Scheduled inspection of the structural integrity of the playground structure.

## School Accountability Report Card

### Reported Using Data from 2009–10 School Year

*Published During 2010–11*

The School Accountability Report Card (SARC), which is required by law to be published by February 1 of each year, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### **DataQuest**

*DataQuest* is an online data tool located on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **School Description and Mission Statement (School Year 2009–10)**

This section provides information about the school, its programs, and its goals.

The Blue Oak Charter School is located on the Northeast side of Chico, approximately 90 miles North of Sacramento in California's Central Valley. The Blue Oak Charter School served children from 7 communities throughout Butte County, during the 2009-2010 school year. The Blue Oak Charter School enrolled approximately 305 students following a traditional school year schedule.

The mission of Blue Oak Charter School is to nurture and deepen each child's academic and creative capacities using Waldorf methods in a public school setting. The Blue Oak Charter School is committed to the education of the whole child through a comprehensive curriculum, active learning and integration of the Arts while acknowledging the uniqueness of each individual and supporting the full development of each child's potential. Blue Oak Charter School's curriculum and teaching method offer an inspirational and disciplined approach in which traditional teaching methods are bolstered by a teaching style emphasizing creative enthusiasm, and lessons that stress the significance of human achievements. ## **Opportunities for Parental Involvement (School Year 2009–10)**

This section provides information about opportunities for parents to become involved with school activities, including contact information pertaining to organized opportunities for parental involvement.

Parent participation is strongly encouraged and is necessary to the successful education of all children at the Blue Oak Charter School. It is well known that when parents are involved with their child's school, the child has a better school experience and outcome. In addition, an important aspect of Waldorf education is that children learn through imitation of the nurturing adults around them. When children see parents and teachers working together in the classroom, the gardens, and at school meetings and festivals, children learn directly the values of group cooperation, dedication, problem-solving and hard work. In addition to providing this healthy example to our children, parent participation is integral to various aspects of the school curriculum including handwork, gardening, cooking, and Reading. Parent participation is necessary in order to envision, develop and maintain a naturally beautiful environment for the children, both in and out of the classroom. Parent involvement also provides opportunities to increase understanding of the Waldorf Methods curriculum.

Parents are encouraged to become an active member of the Parent Guild, various school committees and may serve on our Charter Council. These are wonderful opportunities to get to know other Waldorf families and enjoy the camaraderie of working together for a common purpose. We expect parents to contribute 50 hours per school year.

There are numerous opportunities for parent involvement including:

- Parent Guild
- Advisory Committees
- Charter Council
- Classroom and Office Volunteering
- Pizza Day
- Chaperoning Field Trips
- Supervision
- Fundraising
- Gardening
- School Tours
- Festivals (Harvest, Winter, Spring and May Faire)
- Start of School Clean Up Day

### III. School Climate

#### School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

Blue Oak Charter School provides a safe, clean environment for our students, staff, and volunteers. Our school has been beautified with additional landscaping, raised beds for gardening, and interior painting. Our custodian ensures classrooms, restrooms, and school grounds are kept clean and safe to provide a well maintained and suitable learning environment. The Blue Oak Charter School has always strived to ensure that all students enjoy maximum learning opportunities within a safe and orderly environment, free from disruptive influences.

Safety of our students and staff is our primary concern. Our staff are on duty during recess, lunch, and before and after school to ensure the safety of all our students. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire drills are conducted once per month throughout the school year. The School Safety plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the School Safety Plan include child abuse reporting procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. Blue Oak evaluates the Illness Injury Prevention Plan (IIPP) annually and updates the IIPP as needed. The IIPP was updated in 2010 and was reviewed with our school staff at that time as well. A school wellness plan was developed and adopted in December 2010

#### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

### IV. School Facilities

#### School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

The community has a sense of pride when it comes to our school. Our custodian, staff members and parent volunteers ensure a clean and safe environment, in which learning can take place. Our efforts to

maintain a 48000 square foot school facility that is clean and attractive includes: painting our school, teaching students to clean up after themselves, teachers vacuuming and dusting classroom space daily. We are very proud of the “look and feel” of our school. During the 2008-2009 school year, we developed a site maintenance plan and hired a part time maintenance person. During the 2010-2011 school year we modified our site maintenance plan to include grounds and playground upgrades and hired a custodian for 25 hours per week.

### School Facility Good Repair Status (School Year 2010–11)

This table displays the results of the most recently completed school site inspection to determine the school facility’s good repair status.

## V. Teachers

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District

<b>Without Full Credential</b>	0	0	0	0
<b>Teaching Outside Subject Area of Competence</b>	0	1	0	n/a

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Indicator	2008-09	2009-10	2010-11
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	1	0

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2009–10)

This table displays the percent of classes in core academic subjects taught by Highly Qualified Teachers as defined in the Elementary and Secondary Education Act (ESEA), in a school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under the ESEA can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2009–10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)	0	n/a
Library Media Teacher (librarian)	0	n/a
Library Media Services Staff (paraprofessional)	0	n/a
Psychologist	.05	n/a
Social Worker	0	n/a
Nurse	.01	n/a
Speech/Language/Hearing Specialist	.10	n/a
Resource Specialist (non-teaching)	.50	n/a

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010–11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials
Reading/Language Arts	Good	0%	YES
Mathematics	Good	0%	YES

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008–09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary

Percent Difference – School Site and State	n/a	n/a		

### Types of Services Funded (Fiscal Year 2009–10)

This section provides information about the programs and supplemental services (e.g., information about supplemental educational services related to the school's federal Program Improvement status) that are provided at the school through either categorical funds or other sources.

N/A

### Teacher and Administrative Salaries (Fiscal Year 2008–09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
<b>Beginning Teacher Salary</b>	\$32000	\$40,786.
<b>Mid-Range Teacher Salary</b>	\$35500	\$65,762.
<b>Highest Teacher Salary</b>	\$38000	\$85,230.
<b>Average Principal Salary (Elementary)</b>	\$50000	
<b>Average Principal Salary (Middle)</b>	n/a	n/a
<b>Average Principal Salary (High)</b>	n/a	n/a
<b>Superintendent Salary</b>	\$60000	
<b>Percent of Budget for Teacher Salaries</b>	36%	40.6
<b>Percent of Budget for Administrative Salaries</b>	2.5%	5.3

## IX. Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

*Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute AYP designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found on the CDE California High School Exit Examination (CAHSEE) Web site at <http://cahsee.cde.ca.gov/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### California High School Exit Examination Results for All Grade Ten Students – Three-Year Comparison (if applicable)

## California Physical Fitness Test Results (School Year 2009–10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009

## Adequate Yearly Progress

The federal Elementary and Secondary Education Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE Adequate Yearly Progress (AYP) Web page at

<http://www.cde.ca.gov/ta/ac/ay/>.

## Adequate Yearly Progress Overall and by Criteria (School Year 2009–10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the six AYP criteria described above.

AYP Criteria	School	District
<b>Overall</b>	No	No
<b>Participation Rate - English-Language Arts</b>	Yes	Yes
<b>Participation Rate - Mathematics</b>	Yes	Yes
<b>Percent Proficient - English-Language Arts</b>	Yes	Yes
<b>Percent Proficient - Mathematics</b>	No	No
<b>API</b>	Yes	Yes
<b>Graduation Rate</b>	n/a	n/a

## Federal Intervention Program (School Year 2010–11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

## XI. School Completion and Postsecondary Preparation

### Admission Requirements for California's Public Universities

#### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the General Admissions Information Web page at <http://www.universityofcalifornia.edu/admissions/general.html>. (Outside Source)

#### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/SAS/admreq.shtml>. (Outside Source)

### Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

### Career Technical Education Programs (School Year 2009–10)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered by the school district that are aligned to the model curriculum standards. The list should identify courses conducted by regional occupational centers or programs and those conducted directly by the school district. This section provides a listing of the primary representative of the career technical advisory committee of the school district and industries represented.

### Career Technical Education Participation (School Year 2009–10)

This table displays information about participation in the school’s CTE programs.

Measure	CTE Program Participation
Number of pupils participating in CTE	
Percent of pupils completing a CTE program and earning a high school diploma	
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	

## Courses for University of California and/or California State University Admission (School Year 2008–09)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	
Graduates Who Completed All Courses Required for UC/CSU Admission	

## Advanced Placement Courses (School Year 2009–10)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science		n/a

## XII. Instructional Planning and Scheduling

### Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

The goal of Blue Oak Charter School's professional development is to promote a continuing passion for learning and foster innovations in teaching. Waldorf curriculum training is provided to teachers annually at the Rudolf Steiner College in Fair Oaks, CA. Additional professional development in standards based instruction and assessment is administered by site administration and local presenters. Teachers attend at a minimum two weeks of professional development training annually either on site or at off campus trainings.
